3 Product Description

A polishing cream and cleaner that nourishes and adds luster to polished stone countertops and walls. Regular use helps protect factory polish.

Key Features

- Adds luster to polished natural stone
- Repeated use protects polished stone
- Safe for food preparation surfaces

Suitable Tile Types

- Sealed polished natural stone (such as granite, limestone, marble, and travertine) countertops, tabletops, and other non-traffic polished surfaces
- Effective for interior and exterior applications

Limitations to the Product

- Do not allow product to come in contact with any non-recommended surfaces
- Not recommended on floor surfaces
- High-alkaline, solvent-based, or disinfectant cleaners will remove product

4 Technical Data

Technical Properties Chart

Complies with all Federal EPA and SCAQMD standards for VOC

Technical Chart

Property	Test Method	Requirement	Typical Results
	pH	n/a	3-5 (acidic)

5 Instructions

Application of Product

USE CHEMICAL-RESISTANT GLOVES, such as nitrile, when handling product.

Read entire label before using. Apply a small quantity onto the stone surface. Using a soft cotton towel or cloth, rub into stone surface until no residue is visible. Reapply as needed or desired.

Cleaning of equipment

Clean tools with water before material dries.

Storage

- Close container tightly after each use
- Store in original container only
- Store in and use in temperatures between 45° F to 85° F (7° C to 29° C)
- Store in areas inaccessible to small children
- Do not reuse empty container, wrap and discard in trash or recycle

Health Precautions

MAY BE HARMFUL IF SWALLOWED. MAY IRRITATE EYES AND SKIN. Wear skin and eye protection. Do not breathe vapor or spray. Contains petroleum distillates and methylpolysiloxanes. If in eyes, flush with water for at least 15 minutes. If on skin, wash with soap and water. If respiratory tract is irritated, remove to fresh air. If irritation persists, seek medical attention. If swallowed, DO NOT induce vomiting. Seek medical attention.

7 Product Warranty

Custom® Building Products warrants to the original consumer purchaser that its product shall be free from defects in material and workmanship under normal and proper usage for a period of one year following the date of original purchase. Custom's® sole liability under this warranty shall be limited to the replacement of the product. Some states, countries or territories do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty will not extend to any product which has been modified in any way or which has not been used in accordance with Custom's® printed instructions. Custom® makes no other warranties either expressed or implied. This warranty gives you specific legal rights, and you may have other rights that vary from state to state or from one country/territory to another. This warranty is not transferrable.

8 Product Maintenance

Properly applied product requires no special maintenance.
